Deadline: 20th of the month

From the Governor's Desk

Dear Rotary Friends,

As we approach the festive season, I am reminded of the incredible spirit of giving that defines our Rotary family. In this season of reflection, we acknowledge the abundance in our lives and recognize the power we have to make a difference. Rotary provides us with a remarkable avenue to give back in meaningful ways. Through our collective efforts, we can impact lives globally and locally.

One avenue for making a global impact is through the Rotary (Project) Showcase, a digital platform where Rotary members, like you, can contribute to projects that span the corners of the earth. Whether it's supporting education initiatives, healthcare programs, mental health, community development projects and more, every contribution, big or small, plays a vital role in creating positive change. Rotary Showcase - https://map.rotary.org/en/project/pages/project_showcase.aspx

Closer to home, your club could buy gifts for local children, spreading the holiday spirit by making a difference in the lives of those in your own community. Consider organizing a food drive, a simple yet impactful way to address the needs of those who may be facing hardships during the festive season. Additionally, your club could host a community event or decorate to spread some cheer.

Our collective impact is magnified through our Rotary Foundation. As we celebrate the season, let's not forget the enduring gift of giving to our foundation. Your generous donations fuel projects

that have a lasting impact, leaving a positive imprint on the world for generations to come.

This holiday season, let us embrace the spirit of Rotary, a spirit that unites us in gratitude and empowers us to be a force for good. Together, we can continue to make a meaningful impact, fostering positive change in the lives of those we serve.

Wishing you all a joyous holiday season filled with warmth, kindness, and the fulfillment that comes from giving back.

Yours in Rotary Service,

Whitney Pangburn

District Governor, Rotary District 7190

Pulling Back the Curtain in the Building of CNY Rotary

Submitted by CNY Rotary Communications

The CNY Rotary steering committee has many updates to share as we inch closer to our July 1, 2024, launch. We are sharing this important information so everyone knows all that is happening. After you read this article, be sure to [follow us on Facebook](#) or [Instagram](#) for ongoing updates too!

-An **org chart** is now available to help you understand the layout of our leadership team. Visit www.CNYRotary.org to check it out!

-**Key committees have started meeting** with the volunteers who came forward over the summer. As they identify any gaps or needs in filling each committee, we will share those openings for you to consider in the new year.

-The Foundation Committee is planning a series of three virtual **Grants Management Seminars** starting in January. Attendance at these seminars is a requirement for a club to qualify to apply for a grant. There may be slight changes to the application process from what you are used to, especially in a new district, which means it's extra important to attend!

-**New committees for Events and Service are being built** thanks to creative teams from around the region. A call to help fill these committees will be coming early next year, too.

-The steering committee is **working on our Leadership Guide**. This guide, along with the adoption of the RI bylaws, will serve as the policies and procedures for our region.

-We are **connecting with all current Assistant Governors** about transitioning to become Area Representatives in our new approach to serving clubs (it's not too different since AG's are already rockstars!).

-The Finance Committee is **starting work on our 2024-25 budget**, which will be a team effort in order to marry the finances of the three current districts. We **still need a treasurer** and are hoping to recruit co-treasurers to help divvy up the work.

-**CNY Rotary Youth Exchange** is off and running, having just completed the outbound interviews to select the 2024-25 class. They are also working on updates to their website and continuing to fill their committee vacancies.

-**We will transition to a singular CNY Rotary RYLA program in 2025**. RYLA was already in the works to take place in the spring for D7190, so that will continue as usual. D7170 and D7150 will be exploring a joint event for late June or early July.

-**District Training Assembly**, also known by some as Super Saturday, will be held April 6, 2024. Save the date - details to come!

-**Empire Multi-District PETS** (training for Club Presidents and more!) has opened registration for their March 15-17, 2024, in-person training weekend in Syracuse. [Click here](#) to register.

-CNY Rotary will **need a new ShelterBox representative** as our current ones are retiring. If this Rotary partner program is a passion of yours, reach out to us to discuss what this might entail. Training and mentorship will be provided.

-President-Elect Lizzy is **looking for a conference location and chairperson for the spring of 2025**. As we move to a single committee for this event (as opposed to this year's tri-district committee), the chairperson will need to be an adept event planner who can lead a regional team. If that's you, please out to Lizzy directly at rotarylizzy@gmail.com to discuss! The new Events Committee is exploring facilities large enough for our group, but is open to suggestions, which can also be sent to Lizzy.

Whew! That's a long update. Now it's time for action! If you are interested in getting involved in some way, please reach out to us at CentralNYRotary@gmail.com and tell us about your skills, interests, or what you want to learn more about. All are welcome to lend their time and talents to our region!

Public Image Grant

Fellow Rotarians,

I'm excited to share a wonderful opportunity now available to our Rotary clubs. Our district is offering a Public Image Grant, tailored to boost and enhance the public image of your Rotary club.

This matching grant provides **up to \$750**, which can be used for a variety of projects aimed at increasing your visibility and impact in the community. It's an excellent opportunity for you to expand your reach, connect with a broader audience, and highlight the remarkable work your club is doing.

Here are some potential uses for the grant: branded tablecloths, feather flags, pull-up banners, grocery bags, club banners, pop-up tents, creating or updating a website, assistance with Facebook or website management, stickers, newspaper ads, and more.

This grant must be used for **evergreen projects**. This means no dates, specific events, or the annual Rotary theme.

For example:

- a feather banner that has your club name/logo on it for \$350 qualifies for a \$175 reimbursement.
- A feather banner that has the annual Rotary theme with your club name, does not qualify.

I urge each club to think creatively about how this grant can be used to enhance its public image. Whether through community events, promotional materials, or online marketing strategies, this grant can significantly aid in your efforts to engage with and serve your community more effectively.

To learn more and apply, please use the following link:

<https://forms.gle/3GhxeVuToEViiL8x7>. If you have any questions, please email MelissaWardRotary@Gmail.com.

Thank you for all you do to grow Rotary,
Melissa Rathbun, Public Image Co-Chair.

Empire MD PETS Welcomes ALL to Register Now

Submitted by Empire MD PETS Committee

This year's Empire Multi-District President Elect Training Seminar (MD PETS) is shaping up to be an incredible learning opportunity for all who attend, but who is invited to this event? Despite our name, everyone is welcome!

Clubs have already paid for their President Elect (the person slated to be your president in 2024-25) to attend, but if they are unavailable you can send anyone else from your club. It is a great opportunity for the current president to get a refresh and finish their term strong. It would also be an immersive experience for a new member looking to learn a lot more about Rotary. Is your club really good at succession planning and you already have your president chosen for 2025-26 (known as the President Nominee)? They would be a good substitute if your President Elect (PE) is unavailable or you could choose to send them in addition to the PE at a cost of \$300 to cover their meals and registration for the whole weekend. In fact, that \$300 registration applies to all additional members or guests you want to send, or perhaps you will want to sign up yourself! Lastly, we invite all Assistant Governors in our host districts (7120, 7150, 7170 and 7190) to attend with no registration cost.

No matter your role - PE, PN, AG, speaker, committee member, or guest - **registration is required**. While many have been pre-paid for already, we still need to know if you are coming! Get signed up at www.RotaryEmpireMDPETS.org today.

In addition to registration, you may need a place to stay while in town for the weekend, so we've arranged for excellent room rates at our host hotel, the DoubleTree on Carrier Circle in Syracuse. Booking your room is separate from registration - [click here](#) to reserve your room now. **Do not wait to book with the hotel** as the room block ends a full month before the event and we cannot guarantee space or rates after that. If you know are going, you might as well book today!

Our final call to action for members who have read this far is to follow [Empire Multi-District PETS on Facebook](#). We share helpful resources for any leader, updates about our event as it is coming together, and important reminders to keep everyone on task.

We are excited to welcome an impressive roster of facilitators that includes top Rotary International leadership and the local leaders that we can call on for direct assistance well beyond the training weekend. In addition to the content our speakers will cover, there is a lot of value in the connections attendees will make, which is why we provide a lot of opportunities for socializing. ***We look forward to welcoming everyone to the DoubleTree Syracuse, March 15-17, 2024, and hope every club will send a member to take in this inspirational opportunity!***

View speaker bios, Pre-PETS dates, access the hotel booking page, see all the important dates, read the welcome message from MD PETS Chair Ralph Brandt, and REGISTER at www.RotaryEmpireMDPETS.org.

A Charitable Fund of Your Very Own

(Updated Nov. 2023)

By Lon Penna

How would you or your organization like to start your own Charitable Fund? You could even name it after yourself, like “The John & Mary Smith Charitable Fund”. Or “The Niskayuna Rotary Charitable Fund”. The Rotary Foundation can set it up for you. It’s fast. It’s free. The money you add to your own fund is federally tax deductible. Anyone who contributes to your fund also gets a tax deduction. No need to submit annual tax returns because The Rotary Foundation will do that for you. Who decides how the money is invested? Who decides how the money is spent? It can be you. Or your children. Or your grandchildren. Or your club members. Or anyone you select.

What’s the catch? Well, the fund will need to contribute either \$250 or 1% to the Rotary Foundation every year. Funds created by individuals contribute the flat \$250. Funds created by Rotary Clubs or other organizations contribute 1%. An example of the 1% type, if your club’s Fund has a balance of \$10,000, your Fund will automatically contribute \$100 to The Rotary Foundation. But guess what? The Rotary Foundation is restricted to using your \$100 to carry out charitable projects. Who could ask for more than that? So, John and Mary Smith, if you would like more information on setting up The John & Mary Smith Charitable Fund, contact Heidi Stimac, Planned Giving Specialist, The Rotary Foundation, 847.866.3188, planned.giving@rotary.org.

Niskayuna Rotary’s Fund is named after the major donor, “The William Green III – Niskayuna Rotary Donor Advised Fund #451”. Our fund maintains a balance of about \$20,000, so the interest earned allows for creating a Paul Harris Award annually, as was the original intent.

One limitation is that TRF Donor Advised Funds are restricted to donating to other 501c3 organizations and for scholarships. This means you won’t be able to use the funds for club projects, like putting up benches in the park. But you can use the funds to donate to The Rotary Foundation’s Annual Fund, Polio Plus, Rotary Grants, all of which create Paul Harris Awards. And your fund can donate to the many registered charities in your neighborhood and across the nation.

Be the next member of THE POLIO PLUS SOCIETY

What is the PolioPlus Society? In an effort to increase sustainable giving, the PolioPlus Society (PPS) was formed to encourage Rotarians to commit to a minimum **\$100 donation** to the PolioPlus Fund until polio is eradicated from the face of the earth. Society members receive a special PolioPlus Society pin to wear with honor.

5 REASONS WHY WE MUST ERADICATE POLIO

1 YOUR GIFT WILL IMPROVE LIVES.

Today, 20 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

Louise Beckerle Rourke is a polio survivor from six months of age. With her right leg paralyzed, she is a lifetime swimmer of Lake George. In 2018 Louise Rourke was joined by Bridget Simpson in a two-person relay to swim the length of Lake George. This epic 32-mile "Swim To End Polio" raised over \$120,000 for polio eradication. The dedication and determination of people like Louise motivates Rotarians and others today to not give up until global eradication of polio is complete.

Michael K. McGovern,
Rotary International PolioPlus Committee Chair

"Louise's book brings to life her remarkable journey and success in overcoming adversity. It is a moving and personal story of her deep appreciation of Lake George. This is truly an inspiration and pleasure to read."

Kitty Rooney,
Lifelong Lake George resident, Lake George Historical Association Trustee

"This is a book about *memories* and *mission*. It is an inspiring, heart-warming, motivating memoir of the purposeful path that Louise Rourke took from being stricken with polio as a young child to become the Queen of the Queen of American Lakes. Jump in the water with Louise in this swimmingly touching story."
