## From the Governor's Desk

**Gratitude is a gift we can give ourselves and others.**

By thanking each other, our members, and our partners we lift them up and help them to realize that the contributions they give are very much appreciated. It also helps to build enthusiasm and gives them the motivation to continue to serve others.

Gratitude just makes us all feel better.

In November each of us has the opportunity to share our gratitude to the foundation at our foundation diner. This is a chance for us to celebrate the great projects our Rotary Clubs are a part of and the wonderful work we do because of your donations and dedication.

If you are struggling to feel grateful, here are some ideas to remind you that we have a lot to appreciate in this life.

- 1. Your parents** – for giving birth to you. Because if there is no them, there will not be you.
- 2. Your family** – for being your closest kin in the world.
- 3. Your friends** – for being your companions in life.
- 4. Sense of sight** – for letting you see the colors of life.
- 5. Sense of hearing** – for letting you hear trickle of rain, the voices of your loved ones, and the harmonious chords of music.
- 6. Sense of touch** – for letting you feel the texture of your clothes, the breeze of the wind, the hands of your loved ones.
- 7. Sense of smell** – for letting you smell scented candles, perfumes, and beautiful flowers in your garden.
- 8. Sense of taste** – for letting you savor the sweetness of fruits, the saltiness of seawater, the sourness of pickles, the bitterness of bitter gourd, and the spiciness of chili.
- 9. Your speech** – for giving you the outlet to express yourself.
- 10. Your heart** – for pumping blood to all the parts of your body every second since you were born; for giving you the ability to feel.

**11. Your lungs** – for letting you breathe so you can live.

**12. Your immune system** – for fighting viruses that enter your body. For keeping you in the pink of your health so you can do the things you love.

**13. Your hands** – so you can type on your computer, flip the pages of books, and hold the hands of your loved ones.

**14. Your legs** – for letting you walk, run, swim, play the sports you love, and curl up in the comfort of your seat.

**15. Your mind** – for the ability to think, to store memories, and to create new solutions.

**16. Your good health** – for enabling you to do what you want to do and for what you're about to do in the future.

**17. Your school** – for providing an environment conducive to learning and growing.

**18. Your teachers** – for their dedication and for passing down knowledge to you.

**19. Tears** – for helping you express your deepest emotions.

**20. Disappointment** – so you know the things that matter to you most.

**21. Fears** – so you know your opportunities for growth.

**22. Pain** – for you to become a stronger person.

**23. Sadness** – for you to appreciate the spectrum of human emotions.

**24. Happiness** – for you to soak in the beauty of life.

**25. The Sun** – for bringing in light and beauty to this world.

**26. Sunset** – for a beautiful sight to end the day.

**27. Moon and Stars** – for brightening up our night sky.

**28. Sunrise** – for a beautiful sight to start the morning.

**29. Rain** – for cooling you when it gets too warm and for making it comfy to sleep in on weekends.

**30. Snow** – for making winter even more beautiful.

*Continued....*

- 31. **Rainbows** – for a beautiful sight to look forward to after rain.
- 32. **Oxygen** – for making life possible.
- 33. **The earth** – for creating the environment for life to begin.
- 34. **Mother nature** – for covering our world in beauty.
- 35. **Animals** – for adding to the diversity of life.
- 36. **Internet** – for connecting you and others despite the physical space between you.
- 37. **Transport** – for making it easier to commute from one place to another.
- 38. **Mobile phones** – for making it easy to stay in touch with others.
- 39. **Computers** – for making our lives more effective and efficient.
- 40. **Technology** – for making the impossible possible.
- 41. **Movies** – for providing a source of entertainment.
- 42. **Books** – for adding wisdom into your life.
- 43. **Blogs** – for connecting you with other like-minded people.
- 44. **Shoes** – for protecting your feet when you are out.
- 45. **Time** – for a system to organize yourself and keep track of activities.
- 46. **Your job** – for giving you a source of living and for being a medium where you can add value to the world.
- 47. **Music** – for lifting your spirits when you're down and for filling your life with more love.
- 48. **Your bed** – for you to sleep comfortably in every night.
- 49. **Your home** – for a place you can call home.
- 50. **Your soul mate** – for being the one who understands everything you're going through.
- 51. **Your best friends** – for being there for you whenever you need them.
- 52. **Your enemies** – for helping you uncover your blind spots so you can become a better person.
- 53. **Kind strangers** – for brightening up your days when you least expect it.
- 54. **Your mistakes** – for helping you to improve and become better.
- 55. **Heartbreaks** – for helping you mature and become a better person.
- 56. **Laughter** – for serenading your life with joy.
- 57. **Love** – for letting you feel what it means to truly be alive.
- 58. **Life's challenges** – for helping you grow and become who you are.

**59. Life** – for giving you the chance to experience all that you're experiencing, and will be experiencing in time to come.

**And last but not least... #60: YOU!** For being who you are and touching the world with your presence.

**I thank you for being the inspiration!**  
DG Tammy.

**Did You Attend Woodstock???**

As you may have heard, the theme for the next District Conference of Clubs in May of 2019 will be a Woodstock Theme with many fun, inventive things to do (not your MaMa's District Conference). But we need your help....

If you are planning on attending (see additional info elsewhere in this Toolbox) and actually attended the **Original Woodstock Music and Arts Fair at Max Yasgur's Farm**, PLEASE let us know. And a little story about what you experienced would be great. We would like this info as soon as possible so email me at [rcotten53@yahoo.com](mailto:rcotten53@yahoo.com) and be part of the experience of the **PSYCHODELIC GROOVE** that will be the real happening in May 2019 in Vermont....

Thanks,

## 2019 Conference of Clubs FUN THINGS TO DO WHILE IN VERMONT

### ECHO Lake Aquarium and Science Center

The ECHO Lake Aquarium and Science Center at the Leahy Center for Lake Champlain is located right on Lake Champlain and is just a few minutes' walk from Downtown Burlington. ECHO stand for Ecology, Culture, History, and Opportunity... and this is one opportunity you should not miss during your Vermont adventure!

The ECHO is where you can go nose-to-nose with 2,200 live fish, amphibians and reptiles. Float boats, build dams, become an eco-detective, and immerse yourself in a spectacular volcanic and glacial multimedia theater. This is an interactive museum and educational exhibit center that the entire family will enjoy.

There are 100 hands-on interactive exhibits, a gift shop, and cafe. The location is perfect - on the shore of Lake Champlain with views of the surrounding mountains of upstate New York. ECHO at the Leahy Center for Lake Champlain is open to the public. Call for more information; hours of operation can change without notice.

### Shelburne Museum

Shelburne Museum is an unparalleled and unique experience of American history, art, and design. Designed to allow visitors the pleasure of discovery and exploration, the Museum includes thirty-nine distinct structures on forty-five acres, each filled with beautiful, fascinating, and whimsical objects. Come play in our gardens and open our many doors. You are welcome here.

## One Minute of 1440

Each day has 1440 minutes (60 min \* 24 hrs). One minute equals 0.069% of a day or about 60 heart beats. I think it would be wonderful if each member of our eClub invested at least 1 minute each day in service, committing random acts of kindness, or creating a better world in some other way. Non-eclubs consume at least 60 minutes a week sitting in a meeting which is 53 minutes more than 1 minute each day for a week. 7 minutes a week is 88% less of a time commitment than a single 1 hour meeting in a non-eClub.

I think our small eClub could “Be The Inspiration” for change in Rotary by focusing on acts “serving humanity”. I would like to make this a measurable objective for our eClub. It seems what gets measured is what gets done. I would like a summary of these acts to be our weekly bulletin to create a sense of community, encouragement, and accountability. I am building a new free website which will have a google form on it where each member can share what they have done each week (the form can be updated via email also).

To improve a sense of community and create a better communication system, I will create a single personal document for each member where they can share (add/edit) anything they wish to include like: name, background, photos, interests, skills to share, links to video, etc... There will also be the option of using our google voice phone number 518-310-6605 (avoiding computers and the internet) to share SMS text messages or voice (which automatically transcribes voice to text). So, each member can leave a voice message each week for everyone to listen to instead of attending a meeting. And, there will always be the Padlet Whiteboard option on the website [www.eRotaryNY.com](http://www.eRotaryNY.com) to drop voice, video, text, images...

I would also like to make it easier for others to serve with us as an extended team. So, I was thinking of creating a “Friends Of Rotary Service” option focused on action. Maybe we could create a \$5 annual fee per person with a commitment to Rotary principles. The goal/measure would not be collecting money or fundraising, but would be on acts and minutes of service. I believe there are many many people who would be happy to help create a better world if can provide a model that shifts the focus away from meetings and money.

What matters most is action. We have a great opportunity to create a better world and set a good

example if we are willing to act... 1 minute, 0.069% of a day, 60 heart beats ☺

## ‘Sweet Dreams’

2019 Conference of Clubs  
Service Project

One of the most precious moments of the day is tucking in a child at night. You make sure they get their sweet pajamas on, have a glass of water and even try for a bedtime story! When a child is in the hospital that is not as magical. Let’s bring the magic back.!

Please bring a pair (or more) of new pajamas to the 2019 Conference of Clubs when you register on Friday, May 3<sup>rd</sup>. All ages from baby – teen and must be fire retardant. All pajamas will be donated to District 7190 hospitals and medical centers.

Pajama Lady, Rachel Stark, from our Conference Committee, set up an Amazon Wish List so that by clicking on the link you will find many pj’s of all types and sizes. Select one or more and check out and the pajamas will be shipped directly to Rachel who will store them in containers and bring them along to the Conference. Your name will be listed as a contributor in our Program book.

Certainly you can purchase locally or up in Burlington but the Wish List makes it a simple process.. Just remember they must be fire retardant.

1NV3DAGR ~ ~ ~

On Friday, September 14<sup>th</sup> we held a celebration event to honor Louise Rourke and Bridget Simson, the two extraordinary ladies who swam the 32-mile length of Lake George in under 22 hours. Louise and Bridget were named a Paul Harris Fellow and presented with their certificate and medallion.

Louise contracted polio before there was a vaccine for it. It was Louise's life long dream to swim the length of Lake George. So, she jumped at the chance to raise money for Polio Eradication efforts.

"If I'm gonna do a swim like this, I want it to be more meaningful to me." Louise hopes others will be inspired by the swim. "Part of my motivation is to focus on people's abilities rather than disabilities."

Bridget, an open water swimmer and coach, swam the length of Lake George in 2017.

Bridget said, "There needs to be more (Polio) awareness, most people assume it's gone."

**To date, our donations received total \$32,950**

Without the support of Louise and Bridget, this wouldn't have been possible.

It was Louise's goal to reach \$32,000-\$1,000 for each of the 32 miles of the swim.

With the Bill & Melinda Gates Foundation \$2 for \$1 match, **(\$65,900)** added to **\$32,950** for a grand total of **\$98,850**. This translates to **164,750 children to be vaccinated!**

As of the week of September 10<sup>th</sup>, we had 17 cases year to date of the wild poliovirus.

13 in Afghanistan and 4 in Pakistan. We're not done yet, we have more to do to eradicate polio worldwide!

***Special thanks to Don McPherson of the Saratoga Springs Rotary Club, who reached out to the District regarding Louise and the swim. He was very instrumental in helping make this successful!***

Ballston Spa Rotary Club

Have you noticed the nice new Ballston Spa Rotary park bench on the corner of High St. and Milton Ave., at the bus stop near Noah's Attic? This was the 5th bench installed by our club. Also check out Kelly Park, Old Iron Springs Park, The Submarine Memorial Park, and the Library. We plan to continue this program each year to give folks a place to sit, relax, and enjoy our wonderful Village a little more. All our benches have been well received and are used frequently.

The Ballston Spa Business and Professional Association has its annual The Way We Were Car Show on Sunday, October 7th. The event is located on Front St. in the Village and traditionally has about 500 cars on display and draws a few thousand people. Don't forget to stop by our food booth on Front St. across from the Ballston Spa National Bank. We offer a lot of different walkaway snacks & fluids to enjoy while looking at some of the most beautiful vehicles you'll ever see. Hope to see a lot of Rotarians come by and visit.

Isn't it great to live in a Village that has so many opportunities for you to grow your business? Thanks to the BSB&PA.
